

AUBURN HILL
SENIOR LIVING

October 4, 2021

Hello Auburn Hill Residents, Families, and Team members!

I wanted to update you on our COVID status here at Auburn Hill. Unfortunately, we've had an AL resident who was exposed to COVID with a visitor, all appropriate parties have been notified and aware. Currently the resident is being quarantined as a precaution and current COVID test results are negative. We will plan to test again this week in addition to monitoring for signs and symptoms.

We have consulted with the Department of Health (VDH), and the plan at this time is to continue to monitor all residents for signs and symptoms of COVID. Should there be any changes or positive results occur with our resident who has been exposed, then we will change the course to identification of who will be tested.

We will communicate any changes to everyone. If you have any questions or concerns, please let me know.

Thanks

Kelly Carter, Executive Director
