

AUBURN HILL
SENIOR LIVING

June 7, 2022

Dear Residents, Families and Team Members of Auburn Hill Senior Living,

We wanted to send you an update on our COVID status here at Auburn Hill. We have 2 additional AL residents with COVID-19 positive test results. Families have been notified. We have 3 additional team members with positive results. All individuals are on isolation. We will conduct additional testing for AL residents next Monday and Memory Care/Innovations residents this Friday along with any additional testing required based on our resident screenings.

We remain in contact with the department of health and will follow any additional guidance given. We will continue with suspended communal dining and group activities. We will continue to screen residents daily for signs and symptoms of COVID.

If you do visit, please limit the visit to the resident apartment. As a reminder, visitors and employees are required to complete the COVID screening at the front desk. Masks must be worn in the community. Please do not visit if you are experiencing any signs or symptoms of COVID.

Please let us know if you have any questions or concerns. We will continue to communicate any additional updates.

As always, thank you for all of your support and being a part of the Auburn Hill family. Please do not hesitate to contact us with any questions.

Thank You,
Kelly Carter, BSW, LNHA
Executive Director, Auburn Hill
