

AUBURN HILL  
SENIOR LIVING

July 11, 2022

Dear Residents, Families and Team Members of Auburn Hill Senior Living,

I wanted to give everyone an update on our COVID status here at Auburn Hill. We have 1 Assisted Living resident with COVID positive results. The family has been notified. We will continue to conduct COVID screenings for the residents. We will plan to test residents again this week.

As a reminder, visitors and employees are required to complete the COVID screening at the front desk. Masks must be worn in the community. Please do not visit if you are experiencing any signs or symptoms of COVID.

Please let us know if you have any questions or concerns. We will continue to communicate any additional updates.

As always, thank you for all of your support and being a part of the Auburn Hill family. Please do not hesitate to contact us with any questions.

Thank You,  
Kelly Carter, BSW, LNHA
