

AUBURN HILL  
SENIOR LIVING

July 22, 2022

Dear Residents, Families and Team Members of Auburn Hill Senior Living,

We wanted to send you an update on our COVID status here at Auburn Hill. We have one additional Innovations/Memory Care resident with COVID-19 positive test results. We have 1 team member with positive results. We will conduct additional testing for our Innovations residents next week and any testing required based on our resident screenings.

As a reminder, visitors and employees are required to complete the COVID screening at the front desk. Masks must be worn in the community. Please do not visit if you are experiencing any signs or symptoms of COVID.

I wanted to share with you that our employee of the month is Christin Kimbrough. Christin worked as a direct care team member on the 7-3 and 3-11 shifts. She recently received her certification to be a medication aid here at Auburn Hill. She is kind, patient, puts the residents first and is a great team player. Please join me in congratulating her.

We have 2 H.E.A.R.T. of the month this month. Our first team member is Rheila Johnson. Rheila is one of our activities team members. She is energetic, patient, and connects with the residents. We are so happy to have her on our team! Our second team member is Alex Crawley. Alex works in dining services and is not as visible because he is one of our dishwashers. Alex is thorough, hard working, and kind. We are happy to have him on our team! Please join me in congratulating them.

Please let us know if you have any questions or concerns. We will continue to communicate any additional updates.

As always, thank you for all of your support and being a part of the Auburn Hill family. Please do not hesitate to contact us with any questions.

Thank You,  
Kelly Carter, BSW, LNHA  
Executive Director, Auburn Hill
