

AUBURN HILL
SENIOR LIVING

December 5, 2022

Dear Residents, Families and Team Members of Auburn Hill Senior Living,

I wanted to share with you that we have one employee at home with COVID positive results. Symptoms developed on a day that the employee was not at Auburn Hill, however we wanted to notify you of the potential exposure. We will screen residents for any signs and symptoms of COVID and implementing masks for the next 5-7 days.

We will be offering a COVID booster clinic on December 19th at 1:30pm. We will provide consent forms once we have received them from the pharmacy. If you are interested, please notify the Concierge desk at 804-456-4455.

Thank you to all of you who came to our “Winter Wonderland” celebration. We had a wonderful time celebrating with everyone and we look forward to more celebrations to come.

Thank you to all that have donated to our employee Christmas fund. It is a great way to appreciate the team for all their hard work and we look forward to celebrating with our team!

As always, please let us know if you have any questions. Thank you for your support and for being a part of Auburn Hill!

Thank You,

Kelly Carter, BSW, LNHA
