

January 11, 2021

Dear Auburn Hill Residents, Families, and Team members:

I wanted to give you an update on Auburn Hill! At the guidance of the Virginia Department of Health (VDH), we have started our weekly COVID-19 testing of our team. At this time, we have one team member who has tested positive for COVID-19. This team member is currently quarantined at her home.

Upon review with VDH, we have proceeded with testing of all residents here at Auburn Hill. At this time, we have one resident who has tested positive, their responsible party has been notified. We have received guidance from VDH to retest all employees and residents at the end of the week. We will keep you posted as we move along, and as the guidance changes.

We are still scheduled for our first vaccination clinic on January 13th. Hopefully this is the start to our eventual light at the end of the tunnel. Please keep your fingers crossed that this is a small bump in the road and that we can continue to move forward here at Auburn Hill.

As always, please let us know if you have any questions. And thank you for your continued support and patience during these crazy times.

Thank you and take care,

Kelly Carter, Executive Director
